

The Chippewa Youth Hockey Association would like to offer a fun, positive, and challenging environment to all 8 and under hockey players this fall. The foundation of any hockey association is their youngest players. We will be offering 6 hours of structured skill development.

Practice plans will be age appropriate and consist of a combination of drills, small games and scrimmage. The main focus will be on skating fundamentals and developing good hockey habits.

For Questions please contact: Craig Frenette frenette@vikingelectric.com

Practice to begin August 27th and will be every Wednesday night from 6:00-7:00

The practice sessions will be limited to 30 players

Registration will take place @ 5:00 Wednesday, August 27th

Registration fee is \$40

If not a current member of USA Hockey a \$40.00 additional fee may be required to join WAHA and USA hockey for insurance purposes
